**The School Day:** School begins at 8:00am every morning with Devotion. We encourage everyone to be on time as this is a skill children will need as adults. School ends at 2:30pm Monday-Thursday and 1:00pm on Fridays.

**Our Curriculum:** At Excell Learning Centre, the curriculum suggested by the Ministry of Education is taught. In addition, to Spanish, Music and Physical Education, other activities are to be included in the curriculum.

In order to develop well-rounded citizens, we offer students the opportunity to choose another activity during our Club time (Wednesdays 2:00-2:30pm). These include; Environmental, 4H, Red Cross, Music and Spanish. Additionally, we have a very vibrant sports program which allows our children to participate in various national track meets.
